Policy #6312 – PROVISION OF INTERPRETER SERVICES TO PARENTS WHO ARE HEARING IMPAIRED

The Board assures parents or persons in parental relationship who are hearing impaired the right to meaningful access to school initiated meetings or activities pertaining to the academic and/or behavioral aspects of their children's education. School initiated meetings or activities are defined to include, but are not limited to, parent-teacher conferences, child study or building-level team meetings, planning meetings with school counselors regarding educational progress and career planning, suspension hearings or any conferences with school officials relating to disciplinary actions. The term "hearing impaired" shall include any hearing impairment, whether permanent or fluctuating, which prevents meaningful participation in school meetings or activities.

Parents or legal guardians shall be notified of the availability of interpreter services to be provided at no charge, provided that a written request is made to the BOCES before the scheduled event. Exceptions to the time frame request may be made for unanticipated circumstances as determined by the appropriate administrator. The BOCES shall also notify appropriate school personnel as to the terms and implementation of this policy.

If interpreter services are requested, the BOCES shall appoint an interpreter for the hearing impaired to interpret during the meeting or activity. The BOCES will arrange for interpreters through a BOCES-created list or through an interpreter referral service.

In the event that an interpreter is unavailable, the BOCES shall make other reasonable accommodations which are satisfactory to the parents or legal guardians. Examples of what constitutes reasonable accommodations in the event an interpreter cannot be located may include, but are not limited to, the use of:

- a) Written communications, transcripts, notetakers, etc.; and
- b) Technology, such as: a decoder or telecommunication device for the deaf, assistive listening devices, and closed or open captioning.
