Dennis Laba, President of the Board of Cooperative Educational Services, called the meeting to order at 6:30 p.m. He then led the group in the Pledge of Allegiance and welcomed those in attendance. He introduced the members of the Monroe 2-Orleans Board of Cooperative Educational Services and thanked the component boards and districts for their participation in, and support of, our services.

He asked for a motion to approve the minutes of the Monroe 2-Orleans BOCES Annual Meeting from April 11, 2018.

Motion by J. Abbott seconded by C. Phillips; passed unanimously.

Jo Anne Antonacci thanked Dennis Laba and proceeded to welcome guests and introduce the component superintendents. The superintendents and/or designees introduced their board members and staff in attendance.

Bianca Mancuso (Greece Central School District – CTE Carpentry Student) commented that WEMOCO has been the best opportunity for her. She fell in love with carpentry, working on old and new homes, as well as remodeling.

Alex Henlon (Brockport Central School District – HVAC Student) commented that he has learned so much about furnaces, air conditioning, duct work, and the many aspects involved with HVAC.

She then made the following points:

- Given her long tenure at Monroe 2-Orleans BOCES, District Superintendent Antonacci has learned we have nine component districts who value the collaborative.
- The new professional development center was one of the key components of first-ever capital project for BOCES 2. The project was only possible because of support and enthusiasm of our component districts. In October 2018, BOCES 2 celebrated the completion of the capital project. The new professional development center has already seen events of all types that have benefitted students and staff from each of our districts as well as districts throughout the region. It is a place of celebration, training, instruction, professional development, and community gathering. The benefits of the Capital

Project stretch across the entire campus on Big Ridge Road. In addition to professional development center, BOCES 2 has state-of-the-art classrooms and learning labs and enhanced safety and security measures for students, staff, and visitors.

- The most important aspect of our cooperative is our focus on student achievement. Tonight we have students with us that will either speak about or demonstrate their skill set acquired through their BOCES course work.
- This year we are focused on “moving forward together.” That phrase neatly sums up the gathering tonight. We have accomplishments to celebrate and must continue to press on as we have much more to do.
- We build that future by inspiring and guiding our students. That happens in your schools and in our classrooms and labs. This year, students in our career and technical education program are going beyond their classrooms and shops out into an authentic setting.
- BOCES 2 has partnered with Monroe County to provide a unique solution to zombie homes in our community. The “Make Monroe Home” program is an example of what partners can do to bring student learning to a whole new level. (A brief video was shown.)
- To tell you more about their experience at the Mt. Read Boulevard work site and on the BOCES 2 campus are two students from our career and technical education center: Bianca Mancuso from the Greece Central School District and Alex Henion from the Brockport Central School District.
- District Superintendent Antonacci also acknowledged a special guest: The general contractor on the project, from BBT Construction Greg Didas.
- It is students like Bianca and Alex and community partners like Greg that motivate the BOCES Moving forward together; our collaborative has the power to inspire, teach, and instill compassion and civic mindedness in students which will only strengthen our communities.

Annual Reports were available on the back display table along with the BOCES 2 Report Card and various brochures.

Director of Finance Steve Roland reviewed the proposed BOCES 2 administrative budget for 2019-2020 with a PowerPoint program highlighting next year’s budget. He asked for questions from the floor, and there were none.

District Superintendent Antonacci introduced the candidates for BOCES 2 board vacancies: Brockport (Gerald Maar), Gates Chili (Dennis Laba), and Holley (John Heise). Component school district board members will vote for BOCES 2 board candidates at a regularly scheduled Board of Education meeting later in April at each component district. Members are elected to serve a three-year term on the BOCES 2 board that begins on July 1, 2019.

At 7:09 p.m., President Laba ended the annual meeting by asking for a motion to adjourn. A motion was made to adjourn and seconded; passed unanimously by those in attendance.

Respectfully submitted,

Virginia M. Critchley  
Clerk of the Board

March 2020

Dear Members of the Cooperative Boards of New York State:

I want to take this opportunity to express my appreciation for all the work you do for the students, parents, teachers and administrators in New York State. Your leadership and ongoing efforts to develop and implement the policies adopted by the New York State Board of Regents are essential to our collective success. I can think of no better time than your annual meeting to express my sincere gratitude and thanks.

This past year we have seen a transition in Department leadership, and your continued support and guidance is particularly valuable as we move forward in implementing the Regents agenda. Of particular note has been your work in supporting the Regents priority to closely examine our high school graduation measures. This comprehensive review is important to ensure that all students have the opportunity to learn and develop their skills in order to succeed in college, career, and civic life. This work will affect not only our children and their parents, but also many future generations. I am excited to be a part of this work, and I know that with your individual and collective support, this will be a successful process that will guide the work going forward.

Sincerely,

Shannon L. Tahoe

April 1, 2020

Dear Board Members, Superintendents, and Guests,

Welcome to the 2020 Monroe 2-Orleans BOCES Annual Meeting. This evening the 2020-2021 BOCES budget will be presented for your review. This budget has been developed based on your December service requests and reflects efficiencies a cooperative can provide only through our collaborative efforts. The proposed 2020-2021 budget supports our components with quality services and cost containment; 90.9% of our unit cost increases are 2.5% or less.

Program and services have been assessed. Modifications to services have been made, and the positive attributes of our offerings maintained. Our main focus continues to be students and how we can provide valuable resources to our nine components and their communities. We will feature one of our services as part of our formal program, and tonight's hors d'oeuvres and dinner is prepared, presented and served by students in the BOCES 2 culinary, baking and food service programs.

There are three BOCES board seats to be filled: Churchville-Chili, Greece, and Wheatland-Chili. Nominees will be announced during the formal program. The evening will give you a chance to become more acquainted with the nominees, other component board members and district leadership.

We thank you for your continued support as we strive to meet and exceed your expectations as *Your Educational Partner of Choice*.

Respectfully Yours,

Jo Anne L. Antonacci  
District Superintendent

Dennis Laba, President of the Board of Cooperative Educational Services, called the meeting to order at 6:30 p.m. He then led the group in the Pledge of Allegiance and welcomed those in attendance. He introduced the members of the Monroe 2-Orleans Board of Cooperative Educational Services and thanked the component boards and districts for their participation in, and support of, our services.

He asked for a motion to approve the minutes of the Monroe 2-Orleans BOCES Annual Meeting from April 11, 2018.

Motion by J. Abbott seconded by C. Phillips; passed unanimously.

Jo Anne Antonacci thanked Dennis Laba and proceeded to welcome guests and introduce the component superintendents. The superintendents and/or designees introduced their board members and staff in attendance.

Bianca Mancuso (Greece Central School District – CTE Carpentry Student) commented that WEMOCO has been the best opportunity for her. She fell in love with carpentry, working on old and new homes, as well as remodeling.

Alex Henlon (Brockport Central School District – HVAC Student) commented that he has learned so much about furnaces, air conditioning, duct work, and the many aspects involved with HVAC.

She then made the following points:

- Given her long tenure at Monroe 2-Orleans BOCES, District Superintendent Antonacci has learned we have nine component districts who value the collaborative.
- The new professional development center was one of the key components of first-ever capital project for BOCES 2. The project was only possible because of support and enthusiasm of our component districts. In October 2018, BOCES 2 celebrated the completion of the capital project. The new professional development center has already seen events of all types that have benefitted students and staff from each of our districts as well as districts throughout the region. It is a place of celebration, training, instruction, professional development, and community gathering. The benefits of the Capital

Project stretch across the entire campus on Big Ridge Road. In addition to professional development center, BOCES 2 has state-of-the-art classrooms and learning labs and enhanced safety and security measures for students, staff, and visitors.

- The most important aspect of our cooperative is our focus on student achievement. Tonight we have students with us that will either speak about or demonstrate their skill set acquired through their BOCES course work.
- This year we are focused on “moving forward together.” That phrase neatly sums up the gathering tonight. We have accomplishments to celebrate and must continue to press on as we have much more to do.
- We build that future by inspiring and guiding our students. That happens in your schools and in our classrooms and labs. This year, students in our career and technical education program are going beyond their classrooms and shops out into an authentic setting.
- BOCES 2 has partnered with Monroe County to provide a unique solution to zombie homes in our community. The “Make Monroe Home” program is an example of what partners can do to bring student learning to a whole new level. (A brief video was shown.)
- To tell you more about their experience at the Mt. Read Boulevard work site and on the BOCES 2 campus are two students from our career and technical education center: Bianca Mancuso from the Greece Central School District and Alex Henion from the Brockport Central School District.
- District Superintendent Antonacci also acknowledged a special guest: The general contractor on the project, from BBT Construction Greg Didas.
- It is students like Bianca and Alex and community partners like Greg that motivate the BOCES Moving forward together; our collaborative has the power to inspire, teach, and instill compassion and civic mindedness in students which will only strengthen our communities.

Annual Reports were available on the back display table along with the BOCES 2 Report Card and various brochures.

Director of Finance Steve Roland reviewed the proposed BOCES 2 administrative budget for 2019-2020 with a PowerPoint program highlighting next year’s budget. He asked for questions from the floor, and there were none.

District Superintendent Antonacci introduced the candidates for BOCES 2 board vacancies: Brockport (Gerald Maar), Gates Chili (Dennis Laba), and Holley (John Heise). Component school district board members will vote for BOCES 2 board candidates at a regularly scheduled Board of Education meeting later in April at each component district. Members are elected to serve a three-year term on the BOCES 2 board that begins on July 1, 2019.

At 7:09 p.m., President Laba ended the annual meeting by asking for a motion to adjourn. A motion was made to adjourn and seconded; passed unanimously by those in attendance.

Respectfully submitted,

Virginia M. Critchley  
Clerk of the Board

7. Resolution to Accept Wheatland Chili CSD Lease Purchase of Copier Equipment #1

Whereas, Board of Cooperative Educational Services, Second Supervisory District of Monroe County (“BOCES 2”), a body politic and corporate duly organized and existing as a political subdivision, municipal corporation or similar public entity of the State of New York, is authorized by the laws of the State of New York to purchase, acquire and lease personal property and to enter into contracts with respect thereto; and

Whereas, pursuant to New York State Education Regulations contained at 8 NYCRR Part 170.3(f), and in furtherance of BOCES 2’s mission and essential functions, BOCES 2 desires to purchase, acquire and lease certain equipment constituting personal property in connection BOCES’s ongoing service programs; to wit, the Lessor anticipates entering into a contract with Greece Central School District (the “District”) relating to same; and

Whereas, in order to acquire such equipment, the BOCES 2 proposes to enter into with Toshiba (the “Lessor”), the form of which has been presented to the governing body of the BOCES 2 at this meeting; and

Whereas, the governing body of the BOCES 2 deems it for the benefit of the BOCES 2 and for the efficient and effective administration thereof to enter into the Agreement for the purchase, acquisition and leasing of the equipment therein described on the terms and conditions therein provided;

Now, Therefore, Be It And It Is Hereby Resolved;

*Section 1. Approval of Documents.* The form, terms and provisions of the Agreement and cross-contracts with the District (collectively, the “Agreements”) are hereby approved in substantially the form presented at this meeting, with such insertions, omissions and changes as shall be approved by counsel to BOCES 2 or other authorized representatives of BOCES 2 executing the same, the execution of such documents being conclusive evidence of such approval; and the BOCES 2 Board President is hereby authorized and directed to execute, and the BOCES 2 District Superintendent is hereby authorized and directed to attest and countersign the Agreements and any related exhibits attached thereto, and the BOCES 2 District Clerk is hereby authorized to affix the seal of BOCES 2 to such documents.

*Section 2. Findings - Financial.* The BOCES 2 Board finds and determines that it is in BOCES 2’s best financial interest to acquire the Equipment for the benefit of the District because:

- (i) it provides an opportunity to use the equipment without committing to the full costs of purchase; and
- (ii) after seeking competitive quotes, Lessor provides the most financially advantageous lease terms; and

*Section 3. Findings - Ordinary Contingent Expense.* The BOCES 2 Board finds and determines that the Equipment is necessary to maintain BOCES 2's educational program, preserve property or assure the health and safety of students and staff and thus payments under the Agreements constitute ordinary contingent expenses.

*Section 4. Other Actions Authorized.* The officers and employees of BOCES 2 shall take all action necessary or reasonably required by the parties to the Agreements to carry out, give effect to and consummate the transactions contemplated thereby and to take all action necessary in conformity therewith, including, without limitation, the execution and delivery of any closing and other documents required to be delivered in connection with the Agreements.

*Section 5. No General Liability.* Nothing contained in this Resolution, the Agreements nor any other instrument shall be construed with respect to BOCES 2 as incurring a pecuniary liability or charge upon the general credit of BOCES 2 or against its taxing power, nor shall the breach of any agreement contained in this Resolution, the Agreements or any other instrument or document executed in connection therewith impose any pecuniary liability upon BOCES 2 or any charge upon its general credit or against its taxing power, except to the extent that the Rental Payments payable under the Agreements are special limited obligations of BOCES 2 as provided in the Agreements.

*Section 6. Section 265(b)(3) Designation.* BOCES 2 hereby designates the Agreements as a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. BOCES 2 further represents that BOCES 2 reasonably anticipates that BOCES 2 and other entities that BOCES 2 controls will not issue tax-exempt obligations (including the Agreement) that exceed the aggregate principal amount of \$10,000,000 during the calendar year in which the Agreement is executed and delivered.

*Section 7. Severability.* If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

*Section 8. Effective Date.* This Resolution shall be effective immediately upon its approval and adoption.
