Policy #1330 – BOARD-DISTRICT SUPERINTENDENT RELATIONSHIP

The Board intends that its relationship with the District Superintendent be harmonious and professional. While both the Board and the District Superintendent strive to provide educational programs and services of the highest quality in the most efficient and cost effective manner possible, differences will be resolved by reasoned discussion between both parties.

The Board believes that the development and adoption of sound policies are the most important functions of a Board, and that the execution of those policies is the function of the District Superintendent.

Delegation by the Board of its executive powers to the District Superintendent provides freedom for the District Superintendent to manage the organization within the guidelines established by Board policy, and frees the Board to devote its time to further policy development and evaluation.

The Board holds the District Superintendent responsible and accountable for the administration of its policies, the execution of Board decisions, the day-to-day operation of the overall programs, and for keeping the Board informed about operations and problems so associated.
