## **WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, any deductibles and coinsurance for your plan benefit will apply. If you would like more information on WHCRA benefits, call your plan administrator at 585-352-2400.

## **HIPAA SPECIAL ENROLLMENT RIGHTS**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Linda Intini in Human Resources at 585-352-2400.

<b>CANCER SCREENING/BLOOD DONATION/PRIVATE MILK EXPRESSION</b>	

**Cancer Screening:**

All public employees are entitled to take up to a maximum of four (4) hours (including commute time) of excused paid leave each school year to obtain a screening for cancer which is not deducted from sick or personal leave. The time is not cumulative and is not compensable if the screening occurs outside the employee's work day. Employees seeking this type of leave should obtain permission, absent emergency circumstances, at least two (2) weeks in advance and provide follow-up verification of their screening to their supervisor.

**Blood Donation:**

Employees who work 20 or more hours per week and seek to donate blood during their regular work hours are entitled to an excused unpaid leave of absence (or use of personal or vacation time) for up to a maximum of three (3) hours (including commute time) each school year. Time outside the work day is not compensable and the leave is not cumulative. Employees seeking this type of leave should obtain permission at least two (2) weeks in advance and provide follow-up verification of their blood donation appointment to their supervisor.

**Private Space-Milk Expression:**

Female employees will be provided private space and a reasonable amount of time to express breast milk for the three years following the birth of a child. Employees will be allowed to use break, meal times, or unpaid time for this purpose, and should notify their supervisor if a private space is not available in their assigned work location.

**Required Documentation:**

Employees are required to submit a completed "Employee Request for Excused Leave" form. This form is available on the BOCES Human Resources webpage at <http://www.monroe2boces.org/hr>. If you intend to obtain a cancer screening or make a blood donation during normal work hours, submit the completed form to your supervisor at least two (2) weeks prior to your appointment. Once it is signed by your supervisor and director, the form should be presented to the physician or blood donation facility for authorization that the employee received the applicable screening or donated blood. Forms plus a copy of the screening referral slip or appointment receipt must be forwarded to the employee's supervisor. The absence should be reported and the documentation forwarded to the Payroll Department by the end of the pay period in which the leave was taken. You will notice two attendance codes for the purpose of recording these absences. These codes are:

- BA – Blood donation
- SA – Cancer screening

These codes need to be used to report these absences.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –**

## ARE YOU AWARE OF YOUR 403(b) BENEFIT?

New accounts may be opened with the following approved service providers.

### THE OPPORTUNITY

You have the opportunity to save for retirement by participating in your Employer's 403(b) retirement plan. A 403(b) plan is a retirement plan for certain employees of public schools, tax-exempt organizations and ministries. We recommend that all employees visit our education page which can be found here:

<https://www.omni403b.com/Employees/Education>

### WHY SAVE WITH 403(b)?

1. You do not pay income tax on allowable contributions until you begin making withdrawals from the plan, usually after your retirement.
2. Investment gains in the plan are not taxed until distribution.
3. Generally, retirement assets can be carried from one employer to another.

### Future retirement savings value assuming 6% growth

Monthly Contributions	5 Year	15 Years	20 Years
\$50	\$3,489	\$14,541	\$23,102
\$200	\$13,954	\$58,164	\$92,408
\$500	\$34,885	\$145,409	\$231,020

### HOW CAN I PARTICIPATE?

Prior to contributing you must open an account with an investment provider authorized in the Plan, a list of which is available on the right. You may then complete a Salary Reduction Agreement (SRA) online at:

<https://www.omni403b.com/SRA>

If you are already contributing to your Employer's Plan and you want to change your contribution amount or investment provider, simply complete and submit a new SRA. You can begin or change your contributions as soon as your next payment cycle following our receipt of a completed SRA.

### HOW MUCH CAN I CONTRIBUTE ANNUALLY?

In 2023 you may contribute up to \$22,500 if you are 49 years of age or below and up to \$30,000 if you are 50 years of age and over. You may also be entitled to additional catch-up provisions like the 15 Year Service Catch-up. Please contact OMNI's Customer Care Center at **877.544.6664** for further details

Contribution Limits		15 Yr. Service Catch-up (if eligible)	Maximum Employer Contributions	Combined Limit	
Age 49 & below	Age 50 & above			Age 49 & below	Age 50 & above
\$22,500	\$30,000	\$3,000	\$66,000	\$66,000	\$73,500
