Monroe 2-Orleans BOCES Policy
Series 3000 – Administration
Policy #3140 - CONSULTANTS

The administrative and supervisory staff of the BOCES shall encourage the use of professional consultants from the State Education Department, colleges, universities, and other resource persons, when such consultative services will benefit BOCES and districts it serves. All consultants shall be approved by the District Superintendent or their designee.

Consultants shall be compensated according to agreed-upon hourly and/or daily rates commensurate with their standard fees and those paid for such services inclusive of travel and meals. A consultant who is a public school District retiree is subject to earning and other limitations when working in the public sector. As a result, they are responsible for checking with TRS or ERS and adhering to those limitations.
