Policy #3221 – CHIEF SCHOOL ADMINISTRATORS' COUNCIL

The District Superintendent may establish a Chief School Administrators' Council to provide a means for appropriate and necessary communication to occur between and among the BOCES and the component school districts.

This council may be used to ascertain needs of school districts, discuss proposals for meeting such needs, provide information concerning legal requirements of school districts and other topics deemed appropriate by the District Superintendent.

It is the intent of this council to maintain and develop close cooperation among and between component school districts and to facilitate the communication process within the BOCES area.

Membership in the Chief School Administrators' Council is limited to the officially appointed Chief School Administrators of the component school districts who shall meet at such times and places as designated by the District Superintendent.

Other personnel of the component school districts and BOCES may be requested to attend regularly or at specific meetings by the District Superintendent to facilitate the matters under consideration.
