

# Get help with expenses health insurance doesn't cover

## Aflac for Boces 2

The reality is that health insurance isn't designed to cover everything, which can leave you with unexpected medical bills. That's why there's Aflac. We can help with the expenses that health insurance doesn't cover.

## Aflac supplemental insurance policies

### Short-Term Disability

What if you couldn't work due to injury or illness? Aflac Short-Term Disability insurance helps replace some of your income and keeps working when you can't.

### Accident

Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

### Hospital Confinement Indemnity

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.

### Cancer/Specified-Disease

Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it—before, during and after diagnosis.

### Supplemental Dental

Help keep a bright, healthy smile with Aflac's dental policy. Our policy provides benefits for dental care, paid directly to you (unless otherwise assigned).
