*: Enrollment, demographic, Special Education Snapshot (EOY) and disability program service records for those students who are potential submission records for the VR11-16 reports must be migrated to the Level 2 Student Data Repository no later than **August 16, 2024**. Data will be reviewable in the PD data system as the List of Potential Student Records to ascertain that all students eligible to be included in these reports are on the list with accurate information. The L2 data repository will be frozen with regard to new or changes in the enrollment, demographic, assessment, special education snapshot and disability program service records after this date in order to do accountability calculations.
