BOCES does not award credit. The home school will make the determination whether a student passes or fails and will award credit accordingly.

****PLEASE NOTE: Once summer school ends, questions regarding a student's grade(s) must be handled through the home school district.**

STUDENT ATTENDANCE

Students are expected to attend all classes. If a student is absent or late, a written excuse is needed from the parent/guardian. Students absent more than **three** days will be dropped from summer school. However, the home school district reserves the right to make an exception to the minimum requirement below based on extenuating circumstances. Parents should call the home school directly to explain these circumstances.

Staff are not expected to give make-up quizzes or tests to students but may allow students to make up work. The summer school attendance policy is below.

REGIONAL SUMMER SCHOOL ATTENDANCE POLICY

During the school year the home district awards course credit based on criteria that includes certain attendance requirements. As a result, each school district applies its own attendance requirements necessary for receipt of course credit. However, during the Regional Summer School program, all districts participating in the BOCES 2 program agree that BOCES 2 requirements of attendance govern, not those of the home district. This means after a certain number of absences the student will be dropped from the Regional Summer School program, jeopardizing the receipt of course credit. The following is the minimum attendance requirement for the Regional Summer School program, and a student will be considered in attendance if:

- (a) Physically present in the classroom or working under the direction of the classroom teacher;
- (b) Working pursuant to an approved independent student program; or
- (c) Receiving approved alternate instruction.

A student **must not exceed three (3) absences**, otherwise the student will be dropped from enrollment. An excused absence where student successfully makes up work will not affect the receipt of course credit but will still be recorded as an absence.

TRANSPORTATION (DROP OFF/PICK UP)

For students requiring transportation to summer school, parents will need to contact their school district's transportation office regarding the location and times for student pick-up and drop-off. If told that your school district is not providing transportation, the parent and/or student is then responsible for transportation to/from summer school. Students should arrive no earlier than **ten** minutes before school begins and be picked up no later than **ten** minutes after school ends.

STUDENT DRIVING/PARKING INFORMATION

PLAIN LANGUAGE SUMMARY OF THE DIGNITY FOR ALL STUDENTS ACT (DASA)

BOCES adopted and will review annually a policy on Dignity for All Students Act (DASA) or commonly referred to as the anti-bullying policy. The complete policy may be found on the BOCES website, policy #6462.

The policy explains that the Board is committed to providing an educational environment that promotes dignity, respect, and equality. The Board condemns and prohibits all forms of discrimination, harassment, hazing, bullying, and cyberbullying wherever they occur whether at a BOCES-owned or leased grounds or facilities, buses, BOCES-sponsored activities, programs, or work-based learning locations.

Bullying that occurs outside of BOCES that materially and substantially interferes with the operation of the school or program, or impinges on the rights of a student is prohibited and discipline could result.

The policy defines the terms discrimination, hazing, harassment, bullying, and cyberbullying in accordance with law. Discrimination is an act of denying benefits, rights, or equitable treatment because of a group or class in which that person belongs. Hazing is an induction or initiation process involving harassment or public humiliation and could involve discomfort or injury or ridicule. Harassment is the creation of a hostile environment by conduct, verbal threats, intimidation, or abuse that has the effect of unreasonably and substantially interfering with educational performance, mental, emotional or physical well-being, or cause a fear of safety. Bullying is a hostile activity that harms or induces fear through the threat of further aggression. Cyberbullying is harassment or discrimination, or hazing, or bullying through any form of electronic communication. The harassing/bullying behavior may be based on or perception of:

- Race
- Color
- Weight
- National origin
- Ethnic group
- Religion
- Disability
- Sex
- Sexual orientation
- Gender (including gender identity and expression)

Prevention

Bullying prevention programs will be integrated into classroom instruction through BOCES-wide training on warning signs of bullying and the responsibility to become actively involved in prevention of bullying before it starts.

Coordinators

A BOCES-wide Dignity Act Coordinator and a number of school-level Dignity Act Coordinators will be appointed to coordinate, implement, and review trends, investigate, track, and remedy allegations of bullying. The following people are designated as Dignity Act Coordinators:

<u>Name</u>	<u>Building</u>	<u>Phone</u>	<u>E-mail</u>
Tim Dobbertin	ESC	352-2415	tdobbert@monroe2boces.org
Erik Deisinger	Brockport HS	637-1913	edeising@monroe2boces.org
John Clifford	Greece Athena	966-2070	jcliffor@monroe2boces.org
Jessica Evershed	Greece Odyssey	966-5278	jevershe@monroe2boces.org
Megan Loveless	Paul Road Elem School	340-5565	mloveles@monroe2boces.org
Kara Reidy-Vedder	Village Elem School	392-1013	kvedder@monroe2boces.org

Intervention

Intervention is an important step in preventing escalation and resolving issues at the earliest stages. Successful intervention may involve remediation, which includes measures to correct the behavior and prevent another occurrence. Staff is expected to refer students or intervene where bullying is suspected.

Provisions for not feeling safe at school

Students who do not feel safe at school lose the capacity to learn. Staff, principals/building administrators, and parents should work together to define and implement needed accommodations to help ensure student safety. This effort will be collaborative and handled individually.

Training

Training to support prevention and intervention will be reflected in the Annual Professional Development Plan, new teacher orientation, and in the curriculum.

Reporting and Investigation

Students, staff, and parents should report bullying behavior they have observed or experienced. Complaints will be documented, treated and handled in accordance with the DASA regulations or BOCES Code of Conduct. Staff is expected to report an incident of bullying even if the student did not complain. The results of an investigation should be reported to the complainant and accused who can appeal based on the procedures outlined in the DASA regulation 6462.

Disciplinary Consequences/Remediation

Disciplinary action including involving law enforcement if criminal conduct is involved will be in accordance with the Code of Conduct. A clear message needs to be given that bullying actions are wrong and the behavior must discontinue. The consequences will be unique to the individual incident and vary depending on the severity of the behavior, child's age, and student's history of problem behaviors.

Non-Retaliation

All complainants and those who initiate, testify, assist, report, or participate in the investigation of a complaint in conformity with state law and BOCES policies, who have acted reasonably and in good faith, have the right to be free from retaliation of any kind.

Dissemination, monitoring, review, and reporting

This policy will be reviewed annually. The Board will review the VADIR report annually with attention to bullying and may consider further action based on the data. A complaint form will be posted on the BOCES website. This plain language summary will be sent to parents in the parent packet and will be included in the Code of Conduct and posted on the BOCES website.
