# Level 0 Historical Tutorial—Tips for Viewing

This is a view of how the player will display in a user's browser. Notice the Menu tab circled in blue. You can navigate the tutorial using these links.

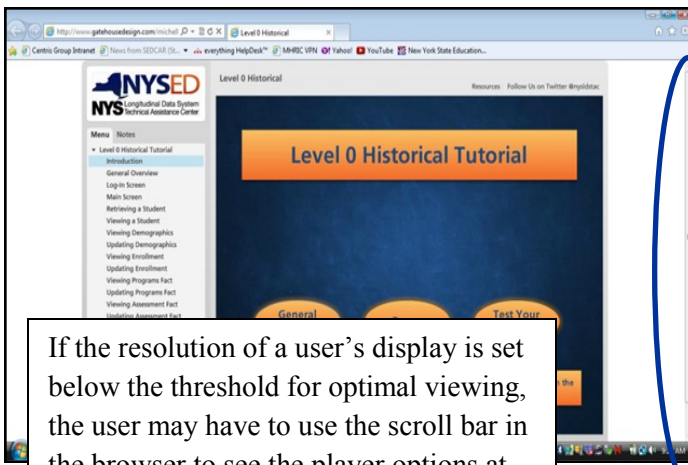

You can also navigate using the options at the bottom of the player. Here you can adjust the volume, play and pause, use the seekbar to jump to a point in time on the slide, replay the slide, and jump to a Previous or Next slide.

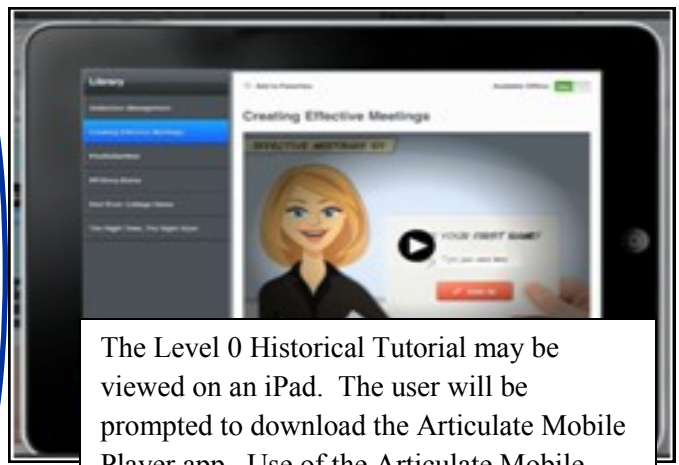

The Notes tab will display an audio transcript of the slide.

When clicked, the Resources tab will display additional documentation such as the URL for Level 0 Historical and the Help documentation.

If the resolution of a user's display is set below the threshold for optimal viewing, the user may have to use the scroll bar in the browser to see the player options at the bottom of the screen.

The Level 0 Historical Tutorial may be viewed on an iPad. The user will be prompted to download the Articulate Mobile Player app. Use of the Articulate Mobile Player app allows for offline viewing.
