

Monroe 2-Orleans BOCES Policy
Series 7000 – Instruction
Policy #7113 – PREVENTION INSTRUCTION

The following will be offered during regularly scheduled classes to all those students who are enrolled in full-time programs:

AIDS Instruction

BOCES will provide classroom instruction concerning Acquired Immune Deficiency Syndrome (AIDS) as part of a sequential and comprehensive health education program.

No student shall be required to receive instruction concerning the methods of prevention of AIDS if the parent or legal guardian has filed with the school principal or program administrator or their designee a written request that the student not participate in such instruction, with an assurance that the student will receive this instruction at home.

Student Safety

Instruction in courses in career and technical education, technology education, science, home and career skills, art and physical education, health, and safety, if any, shall include and emphasize safety and accident prevention.

Safety instruction shall precede the use of materials and equipment by students in applicable units of work in the courses listed above, and instructors shall teach and enforce all safety procedures relating to the particular courses. These shall include the wearing of protective eye devices and appropriate clothing in certain activities.
