Membership

By joining SEPTO, you are a voting member on committee items. Requests from teachers for classroom supports is just one way to help students. Please see the Membership form to join. There is a Venmo account for those who prefer an electronic method.

Events and Activities

SEPTO starts off the year with a main fundraiser to support all the programs and events for the school year.

There is a Holidays Around the World project in November where classrooms receive a gift card compliments of the Greece Rotary Club. Work based learning students put together craft kits to go along with the holidays.

Another partner, the West Central Kiwanis, support us in holding a Breakfast with Santa event for students, families, and staff.

We support classrooms with a monthly drawing for articles submitted to the EC Newsletter.

Staff Appreciation is done throughout the year in different departments.

Student pictures are given to students who are not part of their home school district and would like a graduation portrait.

The Dinner Dance is for transition age students to attend a fun evening of dinner and dancing in a safe environment.

The Moving On Ceremony is for students who do not graduate with their home school district. They have a small graduation ceremony with BOCES 2 Board Members, Superintendent, and EC supervisors.

The Fun Fair is a learning trip day event toward the end of the school year. There is music, games, prizes, Mr. Scribbles, Face Painting, and carnival food cooked by the West Central Kiwanis.

We try to have two bookfairs. One in winter and one near the end of the school year.

We have mini fundraisers throughout the year, which could be candy bar sales or gift basket raffles.

There are parent information sessions throughout the year.

SEPTO would like to expand our offerings, but can only be done through successful fundraising.

Please consider offering your time and talents to SEPTO!

You may find us on Facebook at BOCES 2 SEPTO.

SEPTO is a non profit organization in Monroe 2-Orleans BOCES Department for Exceptional Children. SEPTO uses fundraising to support the events, programs, and activities for students, classrooms, staff, and families.
