Subject: Rochester Area School Health Plan II (RASHP II or Plan): Application for Certificate of Authority

(COA) - 8/8/17 DFS comments/questions/requests

Ms. Lugo:

The New York State Department of Financial Services (DFS) has the following comments/questions/requests related to RASHP II's COA application and supporting documentation:

- 1. At this time DFS is not in a position to grant the Plan's request for a waiver of the stop loss requirements under Section 4707 of the New York Insurance Law (NYIL). Therefore, the Plan is required to obtain stop-loss coverage in full compliance with the requirements of Section 4707 of the NYIL. The projections will have to be updated to reflect the stop-loss coverage. In addition, a statement, certified by the governing board, that adequate aggregate and specific stop loss insurance coverage has been obtained and maintained, to the extent required by Section 4707 of the NYIL, and a copy of the written commitment, binder or stop-loss policy or policies must be submitted. Gallagher, please confirm the financials we submitted justify a waiver of the stop-loss requirement.
- 2. The Plan's request to reduce the required NYIL Section 4706(a)(1) reserve percentage from 25% to 5% for prescriptions and 17% for all other benefits is granted; however, the determination of each reserve (prescription & medical) must be shown separately in the financial projections (i.e. an average of 14% cannot be used). Gallagher, can you prepare?
- 3. Please submit revised projections taking into account items 1 & 2 above. Please indicate the Plan's intention regarding when it anticipates beginning operations as a NYIL Article 47 cooperative (i.e. if a COA could be issued in 2017, is the Plan ready to begin operations under NYIL Article 47 in 2017 or would the Plan prefer that the COA be issued effective 1/1/18?). Given the fact that Excellus needs 90 days to make the switch, we think it makes sense to request that a COA be issued effective 1/1/18. We should use this request to impress upon DFS that Excellus will need 90 days to transition, and that we need assurances before 10/1/17 that a COA will be issued effective 1/1/18. The projections should be 2018 through 2020. Gallagher, can you prepare? If the Plan anticipates beginning operations in 2017 under NYIL Article 47, then projections covering part of 2017 will also have to be submitted.
- 4. Please provide a projected balance sheet for the Plan at the following periods: Pre-Day One (Last day under the Minimum Premium Arrangement) and Day One (First Day as an Article 47 Municipal Cooperative). Gallagher, can you prepare?
- 5. Chief Fiscal Officer Bond Information until DFS has reviewed the amended version of the Crime Policy, it cannot be determined if the previously noted DFS concerns have been adequately addressed. Please submit the revised policy as soon as possible. I have reached out to Greg Hawk to see if Travelers has finalized the amended policy yet.
- 6. Administrative Services Agreement (ASA) between RASHP II and Excellus Health Plan, Inc. (Excellus BCBS) Section 6.4 Security for Run-out Claims: As RASHP II is going to setup a secured account established pursuant to a security agreement, the draft security agreement needs to be submitted now rather than later as the agreement needs to be reviewed. If the Plan does not submit the draft agreement until a later time it could delay completion of the COA application review. Scott and Mike -- let's discuss the timing on this.

- 7. ASA Section 6.4 Security for Run-out Claims: Please provide the calculation of the \$14,105,300 initial principal amount to cover payment of run-out claims. Gallagher, can you prepare a response?
- 8. ASA Section 3.5 Security for Performance: "Excellus BlueCross BlueShield will furnish a surety bond, irrevocable letter of credit or equivalent security, in a form and amount acceptable to the Municipal Consortium, to secure its performance under this Agreement. Excellus has provided acceptable security to Municipal Consortium in the form of Errors & Omissions Insurance and Financial Institutions Bond Insurance (Crime Policy) that would cover losses related to Excellus' administration of the Plan." Please explain how Errors & Omissions Insurance and Financial Institutions Bond Insurance fall within the requirements of the first sentence of the noted section. In addition, in the previous version of the ASA (September) ExcellusBCBS was supposed to provide security in the amount of \$18,000,000, even if the two noted policies are within the parameters of the first sentence, how much coverage is being provided? HSE will work with Excellus to prepare a response.
- 9. As previously noted to the Plan, regarding the three bank accounts that show Monroe 2 Orleans BOCES RASHP II as the account holder, as a NYIL Article 47 entity, RASHP II has to be the owner of the accounts containing its assets. Thus, the Plan will need to establish accounts that it owns to hold its assets. Your 3/30/17 e-mail response has been considered; however, other NYIL Article 47 municipal cooperative health benefit plans do have bank accounts set up with the NYIL Article 47 entity as the owner of the account, thus, RASHP II needs to setup accounts that it owns to hold the Plan's assets. Scott let's discuss. To the extent the Plan needs to secure a federal tax ID in order to open its own accounts, the IRS website indicates this can be secured within a week or two <a href="https://www.irs.gov/businesses/small-businesses-self-employed/how-long-will-it-take-to-get-an-ein">https://www.irs.gov/businesses/small-businesses-self-employed/how-long-will-it-take-to-get-an-ein</a>.
- 10. Coordination Services Agreement: Deletion of paragraph 2 A: Based on your 3/30/17 e-mail response, it is not clear that the agreements with the other parties referenced (i.e. Gallagher, Excellus) actually cover each of the items noted in paragraph 2 A. Please provide specific references to the provisions in the other agreements that cover each of the entities/persons noted in said paragraph. HSE to prepare response.
- 11. Your 3/30/17 e-mail response indicates that Lou Alaimo takes board of directors meeting minutes. Please identify Mr. Alaimo's employer and his position. Scott -- please confirm that Lou is the Assistant Superintendent for Administrative Services for the Brighton Central School District.
- 12. Per your 3/30/17 e-mail response "... They are charged as an annual administrative fee which is a base fee per member structure that was agreed upon by the participants. That administrative fee (\$5.18 per person enrolled in RASHP per year) incorporates the entire suite of services provided by Monroe 2 for RASHP... " (emphasis added) Please confirm that "per member" and "per person enrolled in RASHP per year" has the same meaning. We will confirm. Please provide the basis for the \$5.18 charge. Scott -- this request is ridiculous, but we need to provide a response nonetheless. My thought is to respond that the charge is the product of negotiation between the districts and unions, and is intended to reimburse Monroe 2 for its direct costs incurred in the administration of the Plan. I would also like to note to DFS that this is well below market rates for plan administration services. Please confirm that the \$5.18 charge is paid 100% by the Plan participants and that the Plan is not billed for any portion of such fee. Scott -- my understanding is that this is correct but please confirm.
- 13. Per the 12/31/16 CPA audit report Note 5, the claim deposit fund (minimum average weekly claims) was \$3,773,700 as of December 31, 2016. Per the ASA Section 6.2 the claim deposit fund is \$366,600 (approximate equivalent of anticipated claims volume for one week). Please explain

why the "weekly claim volume" amounts under the current fully insured plan versus the proposed self-funded plan are so vastly different. Gallagher, can you prepare a response?

- 14. Please provide a breakdown of the approximately \$15.7 million Accounts payable amount shown in the 12/31/16 CPA audit report and the 12/31/16 Treasurer's Report. Gallagher, can you prepare a response?
- 15. In 2016 and 2015 RASHP II lost significant amounts, \$11,721,011 and \$6,276,403, respectively. Please explain the reason(s) for the significant losses and what the Plan has done to reverse this negative trend for 2017. In addition, please provide the Treasurer's Report as of 7/31/17, if available, otherwise then as of 6/30/17. Gallagher, can you prepare a response?

The DFS review of the RASHP II COA application continues and any additional questions/comments on the items submitted will be sent under separate cover.

Please respond as soon as possible.

Thanks.

All,

Please find attached the rate setting exhibit prepared by Gallagher regarding the rates approved by the RASHP board a few weeks ago. Gallagher has also provided a description of the exhibit in their email below.

Let me know if you have any questions, or whether it would be helpful to set up a call with Gallagher to discuss anything. Please also note that the revised projections and pre-day one and day one balance sheets requested in Mr. Blackman's email sent yesterday will be sent very soon, as Gallagher is close to finishing those revisions.

Thank you,

Alexandra
