## Learning A-Z Tools for Multilingual Learners

**Wednesday, November 28, 2018**

**4:00-5:00PM** (1 HOUR CTLE CREDIT)

**Pittsford Community Library, Fisher Meeting Room**

Join area colleagues for a workshop on multilingual language teaching resources that you can use with students immediately. The Learning A-Z collection of high-quality products expands literacy and content instruction, and offers resources in multiple languages, including English, Spanish, French, Polish, Ukrainian and Vietnamese.

RAZ-Plus ELL Edition is a research-based program, designed to support a variety of ENL learning styles, to focus on conversational English and to encourage reading fiction and content-based, high-interest materials at the just-right level. Attendees will receive access and free extended trial to all RAZ Plus ELL Edition materials and lesson plans.

*Bring your own device for a hands-on experience.*
